The 1974 Elk is dedicated to . . . Stratford

With deepest appreciation for the continual support given to all students of the Stratford Independent Schools and 100% backing in their various activities, it is with great pride that we dedicate our 1974 ELK to "our town," the city of Stratford.

IN MEMORY

MR. ARLYN HAILE

A True Friend

Some people we meet on the pathway of life
We are apt to forget in awhile,
And some we remember—perhaps for a deed.
Perhaps for a word, or a smile—
And there are a few who remain in our hearts
On whom we can always depend,
The friends who were true all the changing years through,
And you were that kind of friend.

Foreign- Exchange Student Lieu Hoang

Lieu is from Hue, South Vietnam, and has been living this year with the Dave McReynolds. Lieu was also manager for the Elks Basketball team this year.

Lieu celebrates a birthday in his American home.

There is no snow in South Vietnam, and Lieu was seeing it for the first time while living with the McReynolds.

Lieu receiving his diploma from school board president, E. R. Bell.

Shirlyn Christian and Tammy Cameron beside the new crossarms at the Rock Island crossing of Wall Street. The crossarms were a project of the Student Council.

Jack Haile, Student Council President, with J. A. Whittenburg III, presenting the new Elk head which now hangs in the cafeteria.

Some of the Student Council activities this year were weekly devotionals, cleaning the study hall tables, welcome and prayer at the home football games, the repainting of the "Elk" in the front lawn, the Halloween dance, and the Homecoming activities. The Student Council presided over the student elections and over the Class Ring selections. They also donated \$50 to Boys Ranch. Their president is sent to a workshop each summer to prepare him for his duties as student council president. The council is a self-sustaining group. All money spent by them was earned by them. The Student Council sponsored a petition for the railroad cross-arms at the railroad crossing on Wall Street.
